Re: Status of Small Mining Activities, Chimney Rock Resources, Inc., Chimney Rock/Don 1 & 2 Project, S/049/019, Utah County, Utah

Dear Ms. Wyatt:

Thank you for forwarding your letter, regarding the successful completion of reclamation activities on Chimney Rock Resources's Chimney Rock/Don 1 & 2 project (Kyune area), located in Section 33, T11S, R9E, SLBM, Utah County, Utah. Your agency's designated project number is U-72269.

Our files indicate there are other non-federal lands involved in this project. We checked with the School and Institutional Trust Lands Administration on the status of the mineral lease (ML 45544) and find that it is still active; therefore, the Division will not close our file for this project. Thank you for your cooperation in submitting this information to the Division.

Sincerely,

Lynn Kunzler
Reclamation Specialist
